After your registration, we will send you proforma invoice, which must be paid within 7 days. The package is indivisible and the participants cannot take the package's components separately. The number of participants from Bulgaria with a complete service package offer is limited to 50.

Please have in mind, that the number of rooms in Perla Hotel is limited, and we have the right to arrange the accommodation in one of the nearby hotels.

If less than 30 individuals from Bulgaria are registered for the complete service package, the group transportation portion of the service package may be cancelled. In this case, the share of the value of the package associated with transportation shall be fully refunded to all registered participants.

Conference to go will only be possible to implement pending the confirmation of a sufficient number of attendees.
